

CRAFTON HEIGHTS COMMUNITY PRESCHOOL
MARCH NEWS 2014

**Family Night is Tuesday, March
11th 6:30-8:00pm.**

Please join us for an evening of fun animal adventures. We will have activities, crafts, interactive learning and snacks for the whole family. You can help us make a mosaic bottle cap mural. The children will also have the opportunity to make a wooden bead necklace with their favorite animal pendent. We will have an interactive presentation of Kruger National Park in S. Africa you will want to be part of.

Happy Birthday wishes in March go to Dimitri & Theos -March 4th & Gianna- March 25th

February was filled with painting African animals. Our bulletin boards have come to life with a variety of activities and a Savanna filled with elephants, Lions, Ostriches, Zebras and an Acacia tree.

The children especially enjoyed “The Meerkat” game of tag we played during gym time. We will play that again through out the rest of the school year. They also enjoy moving *like the animals do*, dancing to an animal song on CD. The Park Ranger Station was a favorite area for all the children. They liked searching for the animals, building habitats, and writing letters of the animals.

March we will explore Life in the pond; ducks, frogs & plants. We will welcome the change of weather and learn about Spring and life growing all around us.

April we look forward to Preschool Sunday on April 6th and conferences later in the month
