Crafton Heights Community Preschool

End of Year Celebration May 21.

Please invite family & friends to this wonderful last day of school, as we look back at the year through photos and songs. Our event will be followed by refreshments. Our day should be over by 11:15am

We need a few parents to bring in cookies or juice boxes for the end of the year program. A sign up sheet will be posted- please sign up and leave refreshments in the kitchen the morning of graduation. Thank you for helping to make our day special.

Symmetry-
The same on both sides.
The children are learning about symmetry as we study butterflies. They really enjoyed the *rub painting* to create our beautiful butterflies. *Applying paint to one side of the paper, then folding & rubbing created this wonderful art.*

ART, ART, Art... We ended April with Art. We made Stamp flowers, baby yellow chicks, ice cube painted raindrops, caterpillars, books, butterflies, cards, scissor projects, rings, paintings, sticker pages. Your child's creativity was flowing! Enjoy these unique works of art.

Pre-K was busy counting ants at their picnic! Each food item had a number on it, the child had to count and place that many ants on the picture.

**OPEN HOUSE
MAY 14 12:30-2:00**

Tell your friends we have a few spaces for next year. New families can visit us and tour the classrooms & meet the teachers

SUMMER BIRTHDAYS
