## BEING PRESENT FOR IN-PERSON WORSHIP

Our family of faith gathers a small number of people in the sanctuary each Sunday for Worship. To do this in a safe manner, the following procedures have been established for those of us who choose to gather in this fashion:

**Registration:** Seating is currently limited to 30. In order to ensure proper contact tracing, we ask you to register yourself and each additional family member, with contact information, at [chup@chup.org](mailto:chup@chup.org) or calling the church office at 412-921-6153. We request this information be submitted by 12:00 noon, Friday of each week.

**Entry/Exit:** The Stratmore St. doors will be the only ones used. If you need the lift, please let us know when you register, and we will be sure to accommodate you.

**Masks are Required** – Please wear your mask when entering and during the entire service. If you do not have a mask, or forget yours, one will be provided to you.

**Sanitize Hands** – Sanitizer stations are available near the entrances to the building.

**Maintain Social Distance** – With the exception of family groups we ask you to maintain a 6 ft. social distance from others. Worship facilitators will be directing seating and exiting each Sunday. Even though we will have Plexiglass shields installed, we will ask that the front pews remain empty as the worship leaders will be unmasked while speaking or singing.

**At this time, we are not able to provide any childcare during worship.**

**The unisex restroom in the back of the sanctuary will be available.**

**Please be patient with the congregational leadership as we navigate this crisis.** We've never done this before, and our main goal is to provide for worship in such a manner as to encourage all and endanger none.
